| About SSL

SBICAP Securities Ltd (SSL) is a part of India's most trusted financial institution, the State Bank of India. A wholly-owned subsidiary of SBI Capital Markets, SSL has become one of the leading financial distribution houses in the country. It is known for delivering value and nurturing the trust of its vast and varied customers with a 'Customer First' approach. SSL provides best in class products and services such as Equity, Derivatives, Currency, Mutual funds, Fixed Income and Insurance. We are also distributing Home and Car Loan products of SBI at a rapid pace.

In broking, SSL currently serves more than **1.8 million** customers with 'Digital First' approach through its mobile app, website and strong relationship management with its customer through its **100 branch** network with **535 advisors** across the country. SSL currently has a large presence across **2600+** SBI branches to acquire Demat and Trading accounts. Once the trading account gets opened, we provide a comprehensive product range and offer assistance to help customers build their portfolio. We execute more **than three lakh** trades daily, with over **1.3 lakh** customers transacting with us every month. In addition, our Retail Assets business is increasing its footprint across India to distribute SBI home and car loans. As of 31st Mar 2021, we have penetrated several cities for Home Loan with a contribution of **22%** of total SBI Business. Similarly, in Car Loan, we have a presence in **400 cities** with a contribution of **57%** in total SBI business as on 31st Mar 2021.

Return on Equity (%)	23.52	36.53
Dividend per share (Rs.)	-	-
Book Value per share (Rs.)	29.54	53.55

2. Market Environment:

The market environment turned extremely difficult and uncertain as year 2020-21 began with Covid-19 being identified as a pandemic in early March and lockdown being enforced. Millions were confined to their homes and the focus shifted to breaking the pandemic chain. As the months went by, the country battled the Covid-19 emergency with differing outcomes in different regions in terms of cases and recoveries, always bettering itself in its responses.

The lockdown and other restrictions crippled economic activity, resulting in one of the worst declines in GDP since independence; Q1 FY21 GDP fell by 24.4% YoY. The Finance Ministry, in April 2020, announced a massive Rs. 20 trillion stimulus in the form of direct and indirect fiscal support to revive the economy. This fiscal support covered broad stressed areas including Micro, Small and Medium

Enterprises, moratorium to borrowers, liquidity for Non-Banking Finance Companies and Banks, and direct cash transfers. The Reserve Bank of India, to support credit growth, reduced the repo rate by 115 bps to 4% from Feb 2020 and cut the reverse repo by 155 bps to 3.35%.

These measures and the resilience shown in the face of adversity helped the economy recover gradually; 2020-21 ended with GDP down -7.3% YoY in the full year but rising 1.6% YoY in Q4 FY21.

India's stock markets, after slipping to a 6-year low on 23rd March 2020, bounced back strongly within a couple of months itself. The rally strengthened ever more as the year progressed. Actually, it was an exceptional 2020-21 for stock market investors as headline indices Nifty and Sensex jumped 78% and 75% respectively.

Buoyancy in the stock market drew the attention of the restless millennial as per NSDL & CDSL data, a record 14.2 million demat accounts were opened during 2020-21 (3x the number in 2019-20). The three-year average (FY 18-20) was 4.3 million accounts. Declining interest rates naturally raised the risk appetite of an already growing investor base. Negative real interest rates and rapid digitisation were foremost among other factors such as attractive market levels, high impetus of investor education, and disposable incomes that drove higher retail participation. Mutual fund data showed over 8 million new folios getting created taking the overall fund management AUM to Rs. 31.4 trillion as of March 2021.

During the year, Foreign Portfolio Investors net invested Rs. 2.74 lakh cr versus just Rs. 6,153 cr in 2019-20. Domestic Institutional Investors, on the other hand, sold shares worth Rs. 1.34 lakh cr in 2020-21 as compared to net purchase of Rs. 1.29 lakh cr in 2019-20.

The year 2021-22 has already begun on a strong note for the stock markets. The rally is ever broadening in its expanse and we believe that more sectors, hitherto weighed down by the economic restrictions imposed, will bounce back with a vengeance. Economic growth, impacted by a punishing four-month-long second wave of infections, is expected to recover with a pace of 9.5% (as per RBI's June 2021 report) in 2021-22. This augurs well for a new market high being reached in 2021-22.

3. Operations:

i) Retail Broking:

With buoyant markets, number of clients who traded on broking platform registered a sharp growth of 30.8%. This number increased from 2,84,456 in the period Apr'19-Mar'20 to 3,72,226 during Apr'20-Mar'21.

During the FY 2020-21, Retail Brokerage income (including interest income and commissions) went up to Rs. 287.18 Crores against previous year's income of Rs. 179.78 Crores, thereby recording a healthy growth of 59.74% on YoY basis.

Overall Retail Broking business (Including Demat and acquisition fee Income) achieved gross earnings of Rs. 327.74 Crores during the FY 20-21 against total income of Rs. 204.57 Crores in FY 2019-20, registering a sharp growth of 60%.

EBDT of Retail broking business saw a sharp growth of 220% with income rising to Rs. 173.96 Cr in the period Apr'20-Mar'21 as compared to Rs. 54.29 Cr in Apr'19-Mar'20. EBDT Margins for broking business also doubled to 53.08% in Apr'20-Mar'21 as compared to 26.54% in period Apr'19-Mar'20.

New Business Initiatives – Retail Broking

To further strengthen our Retail broking business and increase our market penetration in broking business we started an Open Market (acquiring accounts from Non SBI branches) Acquisition and servicing channel called PRIME as a separate vertical under our Retail distribution team. In first year of operation itself, PRIME team generated broking revenue of Rs.6.53 Cr.

Demat Account acquisition:-

With the ongoing focus on acquiring quality retail clients, we added 3,30,616 new accounts to the client base in FY 20-21. It is noteworthy that 85% of the accounts sourced are either subscription-based or paid accounts. Initially there was a significant drop in new accounts acquisition during the First Quarter because of COVID-19 pandemic, which affected our team visiting branches for marketing of Demat & Trading accounts. However, from August onwards our team started going to branches post which our performance in new account acquisition picked up. We recorded a positive month on month growth in new client acquisition with record breaking performance of 60,044 Demat accounts acquired in March'2021. Digital account opening was launched in Q2 and has helped to scale up our account acquisition number significantly. Contribution of Digital Channel in total new account acquisition reached 56% in March'21.

ii) Retail Distribution (erstwhile Retail Investment & Services):

The erstwhile Retail Investment & Services was rechristened as Retail Distribution to accurately reflect upon the distribution business and activities undertaken. Cross selling of distribution products by other business verticals, new partner tie ups (for Life & Health insurance) helped grow the revenue to grow to Rs.27.14 crs from Rs.9.87 crs in the previous year.

New Business Initiatives

- **Cross-selling of General Insurance:**

During lockdown our sales teams housed under Retail Sales and Retail asset verticals were unable to travel, which impacted their core businesses. We ensured our teams become productive by focusing on cross-selling activities. Both teams were trained on health products offered by SBI general and the solicitation started in May'2020. In FY 21 we ended up mobilizing more than 56000 policies with a net premium of approx 29 crs.

- **Sovereign Gold Bonds (SGBs) added to our existing offerings:**

Sensing market opportunity based on the superiority of the product along with demand for Gold as an asset class, we added SGBs to our Online offerings. In FY 21, we mobilized more than 200 crs. worth of these bonds across 12,727 customers. These bonds were cross sold by our Retail Broking, Sales and Distribution teams in addition to the Online sales (by Do-It-Yourself customers).

- **Introduction of HDFC Life:**

In continuation with our existing open architecture in the Insurance space, we tied up with HDFC Life to offer their product range to SSL customers seeking investment and protection solutions. Through our Retail Broking and Distribution teams, we were able to mobilize a premium of around 7 crs with 1300+ polices in a matter of 4 months.

iii) Retail Asset:

Introduction

COVID-19 pandemic has changed the world, with a devastating impact on human and economic conditions. The overall demand for consumer credit market also has been impacted and remained depressed since the onset of the pandemic.

For Retail Assets division of SSL, both Home loan and Auto loan businesses had been severely impacted by the pandemic and the lockdowns in Q1. However, it started to gradually pick up in Q2 when the restrictions started to ease out and peaked out in Q3 & Q4 of FY 20-21.

- **Home Loan:**

In spite of a slow start in Q1 of FY 20-21 due to the pandemic, the Retail Assets division logged in Home Loan cases for Rs.34,607 crores with sanction of INR 26,336 crores and disbursement of INR 26,151 crores as against Rs.22,734 crores in FY 19-20, which reflects a growth of 15% over the last financial year.

For FY 20-21, SSL had a significant share of 22.21% in the overall SBI Home Loan business. In centres where SSL is operational, the contribution was 33.96%.

Productivity per Sales Executive has been maintained at 1.10 Cr in FY 20-21 as against 1.08 Cr in FY 19-20.

Focus on increase of presence in locations has been instrumental in expanding SSL's Home Loan business. We now have presence in 102 locations as compared to 52 locations at the beginning of FY 20-21

- **Auto Loan:**

Auto Loans under the Retail Assets division has achieved significant growth with a disbursement of Rs.14,956 crores during FY 20-21 as against Rs.10,003 crores in FY 19-20. This is up by 50% over last FY 19-20.

For FY 20-21, SSL's share in overall Auto Loans business of SBI was 56% as against 41% in FY 19-20. Productivity per Sales executive has been maintained at 1.23 Cr in FY 20-21 as against 1.19 Cr in FY 19-20.

Auto loan team has also been growing its presence in locations. It is now operational in 406 locations.

iv) Product & Information Technology

Achievements:

Launched E-DIS –

We launched E-Dis which was achieved by doing integration between Demat system, trading platform and in-house application. Now, shares from Demat account can be sold digitally even when POA is not submitted. Thus for buying and selling shares, dependency on submission of POA has been eliminated. We have launched EDIS in Nov'20 across website & Mobile. By Mar-21 end, we had processed around 23,000 EDIS requests.

Launched E-pledge –

Facility of availing collateral benefit to trade in margin products was given to the trading clients by doing complex integration between Demat, trading platform and in-house application. We have launched this on 13th November 2020 across platforms.

TCS technology Migration - Revamp of Back-office and Front-office core systems

TCS was chosen to replace existing Back office and Front Office systems as TCS is considered to be having a strong domain experience and also experience of core banking integrations at other Competitor Bank led Brokers and most importantly has ready products, which are required by investors and traders for their investment/trading needs. Further, having integrated Back office, Front Office and Portfolio modules powered by same vendor also makes the internal operations seamless. We are also doing a complete revamp of technology architecture for both front end and back end application for future scalability.

On 23rd February 2021, TCS Back-office system was made live after running in parallel to old Back-office for a month and testing for accuracy.

Front-office core system along with new state of the art web interface was nearing UAT completion by the end of FY 20-21.

Revamp of Mobile App

We tied up with Market Simplified, one of the leading mobile app developer to build a new trading mobile app. Though back-end core system is TCS, all the user journeys in mobility were designed through joint workshops to ensure that the complex trading / investments journeys are made simple to the end user. Right from the simplified login using Biometric authentication till the simplified reports, all the screens of the new App are aimed at giving the best experience to the customers and inducing more transactions.

As of end of FY 20-21, new Mobile app was in UAT.

v) Institutional Broking:

The Institutional Broking business is under process of getting shifted to M/s. Investec Capital Services (India) Private Limited JV being formed with SBICAP, which is subject to RBI & NCLT approval. However, SSL continue its business with LIC, Institutional client.

4. Subsidiaries, Joint ventures or Associate companies:

The Company does not have any Subsidiary, Joint venture or Associate Company.

5. Industry Awards & Recognition:

During the year under review:-

- CDSL awarded SSL with “Premier Depository Participants in Platinum category”.

6. Credit Rating:

The Annual Credit Rating of the Company has been upgraded to AA+/Positive.

7. Financial Results:

(Rs. in Cr)

Particulars	2020-2021	2019-2020
Total Income	672.90	495.95
Expenses	395.73	378.73
Profit Before Tax	277.17	117.23
Profit After Tax	207.70	84.53

Total income during the year stood at Rs.672.90 crores, 35.68% higher than the previous year. Even though the total expenses during the year under review rose by 4.49%, the PBT for the year was Rs. 277.17 crores against PBT of Rs. 117.23 crores in FY19-20.

FY 21 has been a very fruitful year for SSL both in terms of Total Income as well as PAT. Total income during the year was up by 35.68% and PAT was up by 145.71% as compared to last year. This year we have also achieved some new milestones. Our total client base in retail broking is more than 1.7 million and our Home Loan and Car Loan business share in overall business of the Bank have increased to 22.21% and 57.15% respectively across Pan India basis.

8. Share Capital:

The present Authorized Share capital of the Company is Rs. 250,00,00,000 divided into 25,00,00,000 Equity Shares of Rs.10 each. The present Issued, Subscribed and paid-up Share Capital of the Company is Rs. 96,87,50,000 divided into 9,68,75,000 Equity Shares of Rs.10 each.

9. Dividend:

No dividend is proposed by the Board of Directors of the Company for FY 20-21.

10. Transfer to Reserves:

The Company has not transferred any amount to General Reserve in FY 20-21.

11. Personnel:

The company continues to emphasize on human capital as the most valuable asset. Accordingly, we are building people-related processes and policies to attract and retain the best talent in the industry. As on 31st March 2021, the strength of SSL's workforce was 5314 as compared to 3363 at the close of the previous year. Performance evaluation, productivity of each individual, and emphasis on continuous learning and development are the key ingredients on which we are building the human capital for today and for years to come.

Your Company has put in place a policy for prevention of sexual harassment as per Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. An Internal Complaints Committee (ICC) has been set up to redress complaints received regarding sexual harassment as required under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Two complaints were filed in FY 20-21 under the category of Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal). Upon examination, the underlying matter was not found to be related to sexual harassment and the complaints were duly disposed of by the POSH Committee.

12. Deposits:

In terms of Section 139(5) of the Companies Act 2013, CAG vide their letter dated 18/08/2021 No. CA/V/COY/Central Government SBICSL(1)/35 have appointed M/s. Batliboi & Purohit, Chartered Accountants, as the Statutory Auditors of the Company for the financial year 2021-22.

33. Secretarial Audit Report:

The Board of Directors of the Company had appointed M/s. VKMG & Associates LLP., Company Secretaries, to conduct the Secretarial Audit for the FY 20-21 and their Report on Company's Secretarial Audit is appended to this Report as "Annexure E".

34. Directors Responsibility Statement:

Pursuant to the provisions of Section 134(5) of the Companies Act, 2013, the Directors hereby confirm that:

- i. in the preparation of the Annual Accounts, the applicable Accounting Standards have been followed along with proper explanation relating to material departures;
- ii. the Directors have selected such Accounting Policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the Financial Year and of the profit of the Company for that period;
- iii. the Directors have taken proper and sufficient care for the maintenance of adequate Accounting records in accordance with the provisions of this Act for safeguarding the Assets of the Company and for preventing and detecting fraud and other irregularities;
- iv. the Directors have prepared the Annual Accounts on a going concern basis; and
- v. the Directors have devised proper systems to ensure compliance with the provisions of all applicable Laws and such systems are adequate and operating effectively.

35. Details of significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status and the Company's operations in future:

There are no significant and material orders passed by the Regulators or Courts or Tribunals impacting the going concern status and the Company's operations in future.

36. Details of application made or any proceeding pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016) during the year along with their status as at the end of the financial year.

During the year under review, there is no proceeding pending under the Insolvency and Bankruptcy Code, 2016.

37. Details of difference between amount of the Valuation done at the time of one time settlement and the Valuation done while taking loan from banks or financial institutions along with the reasons thereof

During the year under review, there was no instance of onetime settlement with any Bank or Financial Institution.

38. Compliance with SEBI's Prohibition of Insider Trading Regulations:

With a view to prevent insider trading, the Code of Conduct – Dealings in securities by the Company and its employees has been formulated in conformity with the SEBI (Prohibition of Insider Trading) Regulations, 2015, to regulate, monitor and report trading in securities by all the employees of the Company. Compliance with the Code is monitored by the Compliance Officer.

39. Statement in respect of adequacy of Internal Financial Controls (IFC) and Internal Control System:

The Company has appointed M/s. M. M. Nissim & Co., Chartered Accountants, as Internal Auditors for FY 20-21. Internal Audit is focused on independently evaluating the adequacy of internal controls, ensuring adherence to operating guidelines and Regulatory and Legal requirements.

The Board has adopted policies and procedures for ensuring the orderly and efficient conduct of its business including adherence to the Company's policies and safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial disclosure. Internal Audit also covers the audit of financial, management and operational activities and ensuring compliance with all the rules and regulations of the Exchanges and SEBI.

40. Maintenance of Cost records:

The maintenance of cost records as specified by the Central Government under sub-section (1) of section 148 of the Companies Act, 2013, is not applicable to the Company and accordingly the requirement of such accounts and records are not prevailing.

41. Material changes and commitments, if any, affecting the financial position of the Company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report:

There have been no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the financial year of the company to which the financial statements relate and the date of the report.

42. Secretarial Standards:

During the year under review, the Company has complied with the provisions of the applicable Secretarial Standards issued by Institute of Companies Secretaries of India.

43. Reporting of Fraud:

The Auditors of the company have not reported any fraud as specified under Section 143(12) of the Companies Act, 2013. Further, no case of fraud has been reported to the Management from any other sources.

44. Acknowledgement:

The Board of Directors would like to express its appreciation to SEBI, the Company's Regulator, and to the Comptroller & Auditor General of India (CAG), the National Stock Exchange of India Limited, Bombay Stock Exchange Limited, Central Depository Services (India) Limited and National Securities Depository Limited for the advices and guidance received from them. The Board is grateful to the State Bank of India and the SBICAPS family for their invaluable support and guidance to the company. The Board also records its appreciation of the unstinted support extended by all its staff members.

For and on behalf of the Board of Directors

Sd/-

Chairman

Date: September 20, 2021

Annexure 'D' to the Directors Report

CSR Activities to be Included in the Board's Report for Financial Year Commencing on or After 1st Day of April, 2020

1. Brief outline on CSR Policy of the Company: Corporate Social Responsibility ('CSR') is the continuing commitment by business to behave ethically and contribute to economic development while improving the quality of life of the workforce and their families as well as of the local community and the society at large. Businesses derive their primary benefits from operating in society and no business can function without caring for societal and community development. We understand that as a Corporate Citizen with resources at our command, it is our solemn duty to reach out and support the less fortunate and underprivileged sections of our society. The Company also encourages its staff members to actively follow, understand and contribute to social causes, to remove indisputable social and developmental lacunae and to promote self and community development. CSR Policy of the Company is available on the Company's website: <https://www.sbisecurities.in>

Annexure (E) to the Director's Report

Form No. MR-3
SECRETARIAL AUDIT REPORT
as on the financial year ended on 31st March, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
SBICAP Securities Limited

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **SBICAP Securities Limited** (hereinafter called the "Company") having its Registered Office at Marathon Futurex, 12th Floor, Mafatlal Mill Compound N. M. Joshi Marg, Lower Parel Mumbai - 400013. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon, however due to Covid 19 and subsequent lockdown situation, we have conducted online verification and examination of documents and/or records, as facilitated by the Company, for the purpose of issuing this certificate.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of the secretarial audit, we hereby report that in our opinion, the company has during the audit period covering the Financial Year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and to the extent stated in this report and also that the Company has the proper Board-Processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Company. Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the Corporate Conducts / Statutory compliances and expressing our opinion thereon

- I. We have examined the books, papers, minute books, forms and returns filed, reports issued by various fellow professionals and other applicable records and registers and maintained by the Company for the financial year ended on **31st March, 2021** according to the provisions of:
 1. The Companies Act, 2013 (the Act) and the rules made thereunder;
 2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings – as applicable in respect of the reporting towards their Foreign Exchange Management Act, 1999; (if any)

5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a. The Securities and Exchange Board of India (Stock Brokers and Sub-Brokers) Regulations, 1992.
 - b. SEBI (Prohibition of Insider Trading) Regulation 2015, to the extent applicable to market intermediary.
 - c. The Securities and Exchange Board of India (Research Analyst) Regulations, 2014.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent stated in this Report.

- II. Provisions of the following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company, by virtue of not being listed on any Stock Exchanges of the Company in the FY 2020-21 under report:
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - (c) The Securities and Exchange Board of India (Share based Employee Benefits) Regulations, 2014;
 - (d) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (f) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - (g) The Securities and Exchange Board (Buyback of Securities) Regulations, 2018.
- III. We further report that having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance to thereof on a test check basis, of the Company and that the Company has prima facie complied with the laws specifically applicable to the Company and also there are adequate systems and processes in place to ensure due compliance with these Laws.
- IV. We have examined the compliances of the applicable provisions of Secretarial Standards, I and II issued by the Institute of Company Secretaries, India and notified by the MCA u/s 118(10) as issued under the Companies Act, 2013.

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the year under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance (except in cases where Meetings were convened at a shorter notice). In case agenda and detailed notes on agenda could not sent at least seven days in advance wherein consents of the attendees (Board members / Committee members) to hold the meeting at shorter notice were duly obtained and a system exists for seeking and obtaining further information and clarifications on the agenda

items before the meeting and for meaningful participation at the meeting. Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the year under report i.e. up to 31st March, 2021, the Company has undertaken following event/ action having a major bearing on the Company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above viz.

1. The Company has enhanced its existing Non fund based facility i.e. Bank Guarantee facility from Rs.100 Crores to Rs.200 Crores from Canara Bank which is within the limit as approved by the shareholders on August 30, 2018 under section 180 of the Companies Act, 2013.
2. The Company has renewed Bank Guarantee of Rs.100 Crores from Indian Bank secured by way of 50% margin in form of Bank Fixed deposit of the Company.
3. The Company has created a charge in favour of State Bank of India for overdraft facility of Rs.100 Crores against the Company's Bank Fixed deposit of Rs.50 Crores as a collateral security.

Pursuant to provision of sections 230 to 232 of the Companies Act, 2013, the Board has considered and obtained in principle approval for the proposal of Demerger of Institutional Equities Sales and Research Undertaking of the Company into Investec Capital Service (India) Private Limited ("Resulting Company") to be implemented by way of Scheme of Arrangement.

INDEPENDENT AUDITOR'S REPORT

To The Members of SBICAP Securities Limited

Report on the Audit of the Standalone Ind AS Financial Statements

Opinion

We have audited the standalone financial statements of SBICAP Securities Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2021, and the statement of Profit and Loss, (statement of changes in equity) and statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2021, and its Profit (including OCI), (changes in equity) and its Cash Flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditors' report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have not received other information before the date of Auditors' Report so we cannot conclude if the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we receive the other information and if we identify that there is material misstatement therein, we will communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, (changes in equity) and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, Management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
2. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
3. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of accounts.
4. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
5. On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164 (2) of the Act.
6. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
7. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Notes to the financial statements
 - The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

The Annexure A referred to in Independent Auditors' Report to the members of the Company on the financial statements for the year ended 31 March 2021 we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets
- (b) As explained to us, the fixed assets have been physically verified by management at reasonable intervals under a phased programme of verification. As informed by the Management physical verification of fixed assets was carried out in the previous year. In our opinion this periodicity of physical verification is reasonable having regard to the size of company and nature of its assets.
- (c) The Company does not hold any immovable property. Thus, sub-clause (c) of (i) of para 3 is not applicable to the Company.
- (ii) The Company is engaged in the business of broking (retail and institutional) and the third-party distribution of financial products and has no inventory. Hence clause (ii) of paragraph 3 of the order is not applicable to the Company.
- (iii) In our opinion and according to the information and explanation given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnership or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii) (a), 3 (iii) (b) and 3 (iii) (c) of the order are not applicable to the Company.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not granted any loans or provided any guarantees or security in respect of any loans to any party covered under Section 185 of the Act. The Company has made no investments which are covered under provision of Section 186 of the Act. Hence the clause is not applicable.
- (v) The Company has not accepted any deposits from the public within the meaning of Section 73 to 76 of the Act and Rules framed there under to extent notified.
- (vi) The Company is not engaged in production, processing, manufacturing or mining activities. Hence, the provision for maintenance of cost records prescribed under sub-section 1 of section 148 of the Act are not applicable to the Company.
- (vii) According to the information and explanations given to us and the records of the Company examined by us, in our opinion,
 - a) the Company is generally regular in depositing the undisputed statutory dues, including provident fund, employee state insurance, income tax, sales tax, service tax, GST, duty of customs, duty of excise, cess and any other material statutory dues as applicable, with the appropriate authorities.
Further no undisputed amounts payable in respect of provident fund, employee state insurance, income tax, service tax, GST, cess and any other material statutory dues were in arrears as at 31 March 2021 for a period of more than six months from the date they became payable.
 - b) According to the information and explanations given to us, and the records of the company examined by us, there are no dues in respect of sales tax, income-tax, duty of customs, service tax, GST, entry tax, value added tax, central sales tax, duty of excise, which have not been deposited with the appropriate authority on account of any disputes.
- (viii) According to the records of the company examined by us and the information and explanation given to us, the company has not defaulted in repayment of loans or borrowings to any financial institution, bank or Government as at the Balance sheet date.
- (ix) The Company did not raise any moneys by way of initial public offer or further public offer (including debt instruments) nor has obtained any term loans during the year, hence paragraph 3 (ix) of the order is not applicable to the Company.
- (x) During the course of our examination of the books and records of the Company, carried out in accordance with the generally accepted auditing practices in India and according to the information

and explanation given to us, we have neither come across any instances of material fraud by the Company or on the Company by its officers or employees noticed or reported during the year nor have we been informed of any such case by the management.

- (xi) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- (xii) In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act, where applicable and details of such transactions have been disclosed in the financial statements as required under Ind AS and Companies Act, 2013.
- (xiv) According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Therefore, paragraph 3(xiv) of the order is not applicable to the Company.
- (xv) According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company.
- (xvi) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934. Accordingly, the provisions of Clause 3(xvi) of the order are not applicable to the Company.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SBICAP Securities Limited** ("the Company") as of 31 March 2021 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information & according to the explanations give to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Note1&2: Corporate Information and Summary of Significant Accounting Policies.

1. Corporate Information:

SBICAP Securities Ltd ('the Company') is a wholly-owned subsidiary of SBI Capital Markets Ltd., incorporated in 2005. It is a member of the four premier stock exchanges of India, the National Stock Exchange of India Ltd, Bombay Stock Exchange Ltd, Multi Commodity Exchange of India Ltd and National Commodity & Derivatives Exchange Limited. The Company is engaged in the business of broking (retail and institutional) and third-party distribution of financial products.

2. Basis of preparation of financial statements

Basic of accounting convention:

The financial statements of the Company are prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under Section 133 of the Companies Act, 2013, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time, other pronouncements of the Institute of Chartered Accountants of India (ICAI), and with the relevant provisions of the Companies Act, 2013.

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis except for certain financial instruments which are measured at fair value at the end of each reporting period and defined benefit plans assets measured at fair value, as explained in the accounting policies below.

2.1 Summary of significant accounting policies

a. Use of estimates

The preparation of financial statements in conformity with the recognition and measurement principles of Ind AS requires the Management to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosures of contingent liabilities at the date of financial statements and the reported amounts of revenue and expenses during the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Although these estimates and assumptions are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements, actual results could differ from these estimates and assumptions. Adjustments, if any, are recognised prospectively.

b. Inventories

The securities acquired with the intention of holding for short-term and trading are classified as stock-in-trade. The securities held as stock-in-trade are valued at lower of cost arrived at on first-in first-out (FIFO) basis or marketable fair value.

c. Property, Plant and Equipment and depreciation

Property, Plant and Equipment are stated at cost of acquisition or construction, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises of purchase price and directly attributable costs of bringing the asset to its working condition for its intended use.

Subsequent expenditures related to an item of tangible asset are added to its book value only if they increase the future benefit from the existing asset. Items of tangible assets that have been retired from

active use and are held for disposal are stated at lower of their net book value and net realisable value and are shown separately in the financial statements. Any expected loss is recognized immediately in the Statement of Profit and Loss.

Gains or losses arising from disposal of Property, Plant and Equipment are measured as the difference between the net sale proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is disposed.

Capital work-in-progress comprises of cost of tangible assets that are not yet ready for their intended use as at the balance sheet date.

Depreciation is provided over the Useful Life of the Property, Plant and Equipment as prescribed in Part C of Schedule II to the Companies Act, 2013 except in case of mobile phones forming part of office equipments and servers forming part of computers wherein the Management estimates the useful life to be lower i.e 3 years, based on technical evaluation. The estimated useful life of all tangible assets as stipulated by Schedule II to the Companies Act, 2013 and adopted by the Management for various block of assets are as under:

Description of assets Useful Life in years Method of Depreciation

Description of assets	Useful Life in years	Method of Depreciation
Office Equipments	5	WDV
Furniture & Fixtures	10	WDV
Computers	3	SLM
Vehicle	8	WDV

Depreciation on additions/disposals of Property, Plant and Equipment during the year has been provided on a prorata basis from the date of such additions/disposals. Assets individually costing Rs. 5000/- or less are depreciated fully in the year when they are put to use. Salvage value of 1% is considered for assets.

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated useful life of 3 years.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the statement of profit and loss when the asset is derecognised. Improvements to leasehold premises are depreciated on a straight-line basis over the primary lease period. Depreciation is not recorded on capital work-in-progress and intangible assets under development until construction and installation are complete and the asset is ready for its intended use.

d. Impairment of assets

i) Impairment of financial assets (other than at fair value)

The Management assesses at each date of the balance sheet whether a financial asset or group of financial asset is impaired. Ind AS 109 on Financial Instruments, requires expected credit losses to be measured through a loss allowance. In determining the allowances for doubtful trade receivables, the Company has used a practical expedient by computing the expected credit loss allowance for trade receivables based on a provision matrix.

The provision matrix takes into account historical credit loss experience and is adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix. Loss allowance for trade receivables with no significant financing component is measured based on lifetime expected credit losses. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month expected credit losses, or an amount equal to the lifetime expected credit losses if the credit risk on the financial asset has increased significantly since initial recognition.

ii) Impairment of non-financial assets

Tangible and Intangible assets

In accordance with Ind AS 36 on Impairment of Assets, Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs. If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognised in the statement of profit and loss.

e. Financial Instruments

Financial assets and liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value measured on initial recognition of financial asset or financial liability.

Cash and cash equivalents

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

Financial assets at amortised cost

Financial assets are subsequently measured at amortised cost if these financial assets are held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows on specified dates that are solely payments of principal and interest on the principal amount outstanding and selling financial assets.

Financial assets at fair value through profit or loss

Financial assets are measured at fair value through profit or loss unless they are measured at amortised cost or at fair value through other comprehensive income on initial recognition. The transaction costs directly attributable to the acquisition of financial assets and liabilities at fair value through profit or loss are immediately recognised in statement of profit and loss.

Equity instruments

All equity investments in scope of Ind-AS 109 are measured at fair value at the end of each reporting period. Equity instruments which are held for trading are classified as at FVTPL (fair value through profit or loss). For all other equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Financial liabilities

Financial liabilities are measured at amortised cost using the effective interest method.

f. Revenue recognition

In accordance with Ind AS 115 “Revenue from Contracts” Company recognise revenue when it satisfies a performance obligation by transferring a promised service to a customer. An asset is transferred when (or as) the customer obtains control of that asset.

Revenue is recognised only when evidence of an arrangement is obtained and the other criteria to support revenue recognition are met, including the price is fixed or determinable, services have been rendered and collectability of the resulting receivables is reasonably assured. The following specific recognition criteria have been followed before revenue is recognised.

Brokerage Income: Brokerage income in relation to stock broking activity is recognised on the trade date of transaction and includes stamp duty, transaction charges and is net of scheme incentives paid. Amounts receivable from and payable to clients/stock exchanges for broking transactions are disclosed separately as trades executed but not settled.

Selling & Distribution commission: Commission relating to public issues is accounted for on finalization of allotment of the public issue/receipt of information from intermediary. Brokerage Income relating to public issues / mutual fund / other securities is accounted for based on mobilisation and intimation received from clients / intermediaries.

Depository Income: Annual Maintenance Charges are recognised on accrual basis and transaction charges are recognised on trade date of transaction.

Other Income: Interest Income is recognised using the effective Interest method.

g. Foreign currency transactions

The Company’s financial statements are presented in INR, which is also the Company’s functional currency.

Initial Recognition : On initial recognition, all foreign currency transactions are recorded by applying to

the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent recognition: As at the reporting date, non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

Exchange Differences : Exchange differences on restatement of all other monetary items are recognised in the Statement of Profit and Loss.

h. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

The Company operates a gratuity plan for its employees, which is a defined benefit plan. The costs of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end, using the projected unit credit method.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability / (asset) are recognised in the statement of profit and loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses and the return on the plan assets (excluding amounts included in net interest on the net defined benefit liability/asset), are recognised in Other Comprehensive Income. Such remeasurements are not reclassified to the Statement of Profit and Loss in the subsequent periods

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The Company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The Company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

i. Segment Reporting

In accordance with Ind AS 108 'Operating Segment, segment information is reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

j. Operating Leases

Lease arrangements where the risks and rewards incidental to ownership of an asset substantially vest

with the lessor, are recognised as operating lease. Payments made under operating leases are charged to the Statement of Profit and Loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

k. Earnings per share

Basic and diluted earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The Company did not have any potentially dilutive securities in any of the years presented.

l. Income Taxes

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax : Current tax is measured at the amount expected to be paid to the tax authorities in accordance with the taxation laws prevailing in the respective jurisdictions.

Deferred tax :

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount, except when the deferred income tax arises from an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred income tax liabilities are recognised for all taxable temporary differences.

Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the Company re-assesses unrecognised deferred tax assets, if any.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis. Deferred tax assets and deferred tax liabilities are offset when there is a legally enforceable right to set off assets against liabilities representing current tax and where the deferred tax assets and the deferred tax liabilities relate to taxes on income levied by the same governing taxation laws.

m. Provisions and Contingent Liabilities

Provision: A provision is recognised when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities: A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

n. Lease

Company as a Lessee

Recognition: At the commencement date, right-of-use asset and a lease liability are recognized.

Measurement:

Right of Use Asset

At the commencement date, right-of-use asset is measured at cost.

The cost of the right-of-use asset shall comprise:

- (a) the amount of the initial measurement of the lease liability.
- (b) any lease payments made at or before the commencement date, less any lease incentives received;
- (c) any initial direct costs incurred by the lessee; and
- (d) an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset, restoring the site on which it is located or restoring the underlying asset to the condition required by the terms and conditions of the lease, unless those costs are incurred to produce inventories. The lessee incurs the obligation for those costs either at the commencement date or as a consequence of having used the underlying asset during a particular period.

Lease Liability:

The lease liability is measured at the present value of the lease payments that are not paid. The lease payments are discounted using the incremental borrowing rate of the Company.

At the commencement date, the lease payments included in the measurement of the lease liability comprise the following payments for the right to use the underlying asset during the lease term that are not paid at the commencement date:

- (a) fixed payments (including in-substance fixed payments), less any lease incentives receivable;
- (b) variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date.
- (c) amounts expected to be payable by the lessee under residual value guarantees;
- (d) the exercise price of a purchase option if the lessee is reasonably certain to exercise that option; and

(e) payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease.

Short term lease

Company has not recognized operating lease accounting and not recognize lease assets and lease liabilities for leases with a lease term of 12 months or less (i.e., short-term leases).

Subsequent measurement & depreciation

Lessees accrete lease liability to reflect interest and reduce the liability to reflect lease payments made.

The depreciation requirements in Ind AS 16, Property, Plant and Equipment is applied, in depreciating the right-of-use asset, subject to the requirements If the lease transfers ownership of the underlying asset to the lessee by the end of the lease term or if the cost of the right-of-use asset reflects that the lessee will exercise a purchase option, the lessee shall depreciate the right-of-use asset from the commencement date to the end of the useful life of the underlying asset. Otherwise, the lessee shall depreciate the right-of-use asset from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term.

Right-to-use assets are subject to impairment testing under IAS 36 Impairment of Assets.

Note 35:

a) Gratuity

The Company has a defined benefit gratuity plan. Under this plan, every employee who has completed atleast five years of service gets a gratuity on departure at the rate of 15 days of last drawn salary for each completed year of service. The scheme is funded with an insurance company in the form of qualifying insurance policy.

The following tables summarise the components of net benefit expense recognised in the statement of profit and loss and other comprehensive income, the funded status and amounts recognised in the balance sheet, as per Actuarial Valuation Report which has been relied upon by the Auditors.

A: Amount recognized in Balance Sheet:

The total amount of net liability / asset to be recorded in the balance sheet of the company, along with the comparative figures for previous periods, is shown in the table below:

(Amount in Lakhs)

	For the year ended March 31, 2021	For the year ended March 31, 2020
Present value of funded defined benefit obligation	587.77	573.80
Fair value of plan assets	536.53	24.17
Net funded obligation	51.24	549.64
Present value of unfunded defined benefit obligation	-	-
Amount not recognized due to asset limit	-	-
Net defined benefit liability / (asset) recognized in balance sheet	51.24	549.64
Net defined benefit liability / (asset) is bifurcated as follows:		-
Current	-	100.45
Non-Current	51.24	449.18

B: Movement in Plan Assets :

The fair value of the assets as at the balance sheet date has been estimated by the Actuary based on the latest date for which a certified value of assets is readily available and the cash flow information to and from the fund between this date and the balance sheet date allowing for estimated interest for the period.

A reconciliation of the plan assets during the inter-valuation period is given below:

(Amount in Lakhs)

	For the year ended March 31, 2021	For the year ended March 31, 2020
Opening fair value of plan assets	24.17	42.66
Employer contributions	608.53	20.00
Interest on plan assets	(1.12)	0.51
Administration expenses	-	-
Remeasurements due to :	-	-
<i>Actual return on plan assets less interest on plan assets</i>	4.96	2.09
Benefits Paid	(99.99)	(41.08)
Assets acquired / (settled)	-	-
Assets distributed on settlements	-	-
Closing fair value of plan assets	536.53	24.17

Notes forming part of financial statement for the year ended March 31, 2021

C: Disaggregation of Plan Assets

A split of plan asset between various asset classes as well as segregation between quoted and unquoted values is presented below:

	(Amount in Lakhs)	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Property	-	-
Government Debt Instruments	-	-
Other Debt Instruments	-	-
Equity Instruments	-	-

Income Tax Expenses	142.34	214.98
Total Tax expense	7,142.34	3,214.98

Note 40: Financial risk management objectives and policies

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimize potential adverse effects of market risk on its financial performance. The Company's risk management assessment and policies and processes are established to identify and analyze the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities. The Board of Directors and the Audit Committee is responsible for overseeing the Company's risk assessment and management policies and processes.

The Company's financial risk management policy is set by the management. Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. The Company manages market risk which evaluates and exercises independent control over the entire process of market risk management. The management recommend risk management objectives and policies, which are approved by Senior Management and the Audit Committee.

a. Credit risk

Credit Risk: Credit risk arises from the possibility that the counter party may not be able to settle their obligations as agreed. To manage this, the Company periodically assesses the financial reliability of customers and other counter parties, taking into account the financial condition, current economic trends and analysis of historical bad debts and ageing of financial assets. Individual risk limits are set and periodically reviewed on the basis of such

Maturities of financial liabilities

The tables below analyze the company's financial liabilities into relevant maturity groupings based on their contractual maturities:

(Amount in Lakhs)

Contractual maturities of financial liabilities as at March 31, 2020	Total Carrying Value	On due within 1 year	Over 1 year Within 3 years	Over 3 year Within 5 years
Borrowings	3,674.26			
Trade Payables	23,270.95	23,270.95	-	-
Other Financial Liabilities	7,153.27	7,153.27	-	-
Total	34,098.47	30,424.21	-	-
* Borrowing of the Company is an Overdraft facility. Hence there is no contractual maturity for the same for FY ended March 31, 2020 and 2019 also.				
Contractual maturities of financial liabilities as at March 31, 2019	Total Carrying Value	On due within 1 year	Over 1 year Within 3 years	Over 3 year Within 5 years
Borrowings	6,899.07			
Trade Payables	15,088.35	15,088.35	-	-
Other Financial Liabilities	5,560.17	5,560.17	-	-
Total	27,547.59	20,648.52	-	-

c. Market risk

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from adverse changes in market rates and prices (such as interest rates, foreign currency exchange rates and commodity prices) or in the price of market risk-sensitive instruments as a result of such adverse changes in market rates and prices. Market risk is attributable to all market risk-sensitive financial instruments and all short term and long-term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of its investments. Thus, the Company's exposure to market risk is a function of investing and borrowing activities.

d. Foreign exchange risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates.

The Company's foreign exchange risk arises from its foreign currency borrowings (primarily in USD). As a result, if the value of the Indian rupee appreciates relative to these foreign currencies, the Company's revenues measured in Indian rupees may decrease.

The following table sets forth information relating to foreign currency exposure (other than risk arising from derivatives disclosed below):

(Amount in Lakhs)

Particulars	As at March 31, 2021		As at March 31, 2020	
	USD/GBP (In single unit)	INR in Lakhs	USD/GBP (In single unit)	INR in Lakhs
Foreign Currency Exposures (USD)	7,046.59	5.10	24,789.58	18.69
Foreign Currency Exposures (GBP)	400.00	0.29	1,812.00	1.69
Total		5.39		20.37

The above foreign currency exposures are not hedged by the derivative instruments.

The sensitivity of profit or loss due to changes in the exchange rates arises mainly from non-derivative foreign currency denominated financial instruments (mainly financial instruments denominated in USD). The same is summarized as below:

Amount in Lakhs

Particulars	Impact on Profit	
	As at 31.03.2021	As at 31.03.2020
USD Sensitivity		
INR / USD – Increase by 10%	(0.51)	(1.87)
INR / USD – Decrease by 10%	0.51	1.87
GBP Sensitivity		
INR / GBP – Increase by 10%	(0.03)	(0.17)
INR / GBP – Decrease by 10%	(0.03)	(0.17)

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. However the company's exposure to foreign currency loan is of fixed interest rate.

(i) Interest rate risk exposure

The exposure of the company's borrowing to interest rate changes at the end of the reporting period are as follows:

Variable rate borrowings

Amount in Lakhs

Particulars	As at March 31, 2021		As at March 31, 2020	
	Balance O/s.	Weighted Average Interest Rate	Balance O/s.	Weighted Average Interest Rate
Overdraft Facility	3,674.26	7.15	6,899.07	8.20
Term Loan	-	-	-	-
Total	3,674.26	7.15	6,899.07	8.20

(ii) Sensitivity

Profit or loss is sensitive to higher/lower interest expense from borrowings as a result of changes in interest rates.

Amount in Lakhs

Particulars	Impact on profit after tax	
	For the year ended March 31, 2021	For the year ended March 31, 2020
Interest rates – increase by 10%	(26.27)	(56.57)
Interest rates – decrease by 10%	26.27	56.57
